# Publish your data with Figshare

Many funders and journals now make it a requirement to publish your research data.

Figshare provides a safe environment for researchers to publish and share their research, enabling greater collaborative research and impact.

Preview multiple file types and provide a DOI to help you track and promote your data.

Visit [www.rmit.edu.au/staff/research/figshare](http://www.rmit.edu.au/staff/research/figshare) for more information.

Contact RMIT Data Librarians on [research.data@rmit.edu.au](mailto:research.data@rmit.edu.au) for guidance and support.
