Library Support for Research Life Cycle

Research Life Cycle

Plan and Design your Research

- Find theses
- Find relevant literature
- Develop searching skills
- Stay up-to-date

Manage your Citations

- Manage your references
- Learn to use EndNote
- Generate your reference list
- Identify referencing style

Manage your Research Data

- Publish and share your data
- Manage data in **Research Data JCU**
- Find and reuse datasets
- Prepare data management plan

Publish and Share Research Strategically

- Deposit your work to **ResearchOnline@JCU**
- Make your research Open Access
- Determine where to publish
- Manage copyright
- Negotiate author rights

Promote your Research

- Create your online presence
- Engage with a wider audience
- Become visible on social media
- Enhance your **Research Portfolio** profile

Measure your Impact

- Use citation metrics
- Track your Altmetrics
- Assess your public engagement
- Benchmark your research
